

# COMPANY PROFILE

About us : Unisign Modular Signage is promoted by Unitech Exhibitions Pvt Ltd a leading exhibition management company in India. Incorporated in December 2005 with a young and energetic team, Unisign represents world's leading architectural signage and exhibition design firms in Indian market. Our products & service include architectural signage and wayfinding products. The new exhibition design division has exclusive agreement with Aluvision N/V of Belgium for using their innovative standing building systems. Our principle suppliers are Seberg S.r.l, Italy; Modulex A/S, Denmark and Aluvision N/V, Belgium. With over 40 dedicated personnel, Unisign has the strength and capacity to handle simple to complicated architectural signage and exhibition design projects pan India. Architectural signage projects include corporate offices, residential townships, factories, airports, technology parks, industrial parks, hospitals, universities, hotels, retail malls, etc. across major cities in India.

Our Strengths : Unisign has the largest range of modular signage systems in India. Wayfinding & sign mapping studies & consultancy. New signage system development. Complete in-house production.
